

17. REVIEW OF CURRENT MEETING STRUCTURE

The purpose of this report is to provide Board members with an opportunity to review the current meeting structure.

At present, typically, there are three meetings held per month (Combined Committee, Finance and Policy Committee and the Board). Board members may wish to explore other options.

Chairperson's

Comment:

Overall, it seems that from our experience of having a number of committees, then the Combined Committee, we should now have two full Community Board meetings per month, retaining the Finance and Policy Committee. Having had the committee structure has been a useful learning curve.

Recommendation:

For discussion.
