---	--

The new Local Government Act requires a policy on Partnerships with the Private Sector to be included in the Annual Plan.

It is necessary for the Council to consult on this policy as part of the Annual Plan process for the adoption of this policy.

This is a new requirement and a draft Policy has been prepared and is attached for consideration of the Committee.

### **Staff**

**Recommendation:** That the draft policy be approved and included in the Council's draft Annual Plan.

**Deputy Chairman's Recommendation:** That the above recommendation be adopted.
