

## 9. NEW BRIGHTON ROAD - PARKING RESTRICTIONS (PAGES ROAD TO BOWER AVENUE)

**Officer responsible**  
City Streets Unit Manager

**Author**  
Lorraine Wilmshurst - Consultation Leader, DDI 941-8662

The purpose of this report is to ask the Board to approve the installation of parking restrictions in New Brighton Road as part of the kerb and channel reconstruction.

### BACKGROUND

New Brighton Road between Pages Road and Bower Avenue is being reconstructed with new kerb and channel, footpaths, grass berms and undergrounding of services.

### DISCUSSION

Consultation has been undertaken with the community and the design has now been finalised (as approved at an emergency meeting of the Board on 10 December 2002). As part of this work it is necessary to remove parking along the riverbank, at the intersections of New Brighton Road with Palmers Road, Rawson Street, Pratt Street and Hawke Street and at the kerb build outs. There is also the need to relocate some bus stops and install some short-term parking at the Rawson Street intersection for the business at this location.

### CONCLUSION

That the Board approve the installation of parking restrictions in New Brighton Road between Pages Road and Bower Avenue as shown on the design plans.
