

**5. WALTHAM ROAD AND KINGSLEY STREET
P10 PARKING RESTRICTION**

Officer responsible City Streets Manager	Author Basil Pettigrew, DDI 941-8542
--	--

The purpose of this report is to seek the Board's approval to implement a P10 parking restriction outside business premises on the corner of Waltham Road and Kingsley Street.

A request has been received from the three businesses shown on the attached plan for a P10 parking restriction to be installed on the southern corner. The locality is one where there is extensive commuter parking.

The Christchurch City Council Parking Strategy identifies the provision of short-stay private vehicle parking for business and retail needs as being a high priority for commercial/retail areas.

The 5 metre section of "No Stopping" north of the existing bus stop is required to give free access to the three on-site vehicle parks.

The proposed restrictions are supported by the Parking Operations Manager.
