

18. RELATIONSHIP BETWEEN WASTE MANAGEMENT PLAN AND LONG TERM COUNCIL COMMUNITY PLAN

Officer responsible

City Water and Waste Manager

Author

Peter Mitchell, Director of Legal and Secretariat Services, DDI 941-8549

The purpose of this report is to advise the Committee on the relationship between the Council's Waste Management Plan and its future Long Term Council Community Plan as requested at a joint meeting of the Strategy and Finance Committee and Consultation and Communications Special Committee meeting on 17 March 2003.

A legal opinion detailing the relationship between the two plans is attached for the information of members.

Chairman's

Recommendation: That the information be received.
