| 2. | MINUTES OF MEETING - 6 OCTOBER 2003 |
|----|-------------------------------------|
|    | Attached.                           |
|    |                                     |
|    |                                     |
|    |                                     |
|    |                                     |
|    |                                     |
|    |                                     |
|    |                                     |
|    |                                     |
|    |                                     |
|    |                                     |
|    |                                     |
|    |                                     |
|    |                                     |
|    |                                     |
|    |                                     |
|    |                                     |
|    |                                     |
|    |                                     |
|    |                                     |
|    |                                     |
|    |                                     |
|    |                                     |
|    |                                     |
|    |                                     |
|    |                                     |
|    |                                     |
|    |                                     |
|    |                                     |
|    |                                     |
|    |                                     |
|    |                                     |
|    |                                     |
|    |                                     |
|    |                                     |
|    |                                     |
|    |                                     |
|    |                                     |
|    |                                     |
|    |                                     |
|    |                                     |
|    |                                     |
|    |                                     |
|    |                                     |
