

## 12. BOARD PROJECT PROPOSALS – RESPONSES FROM BUSINESS UNITS

<b>Officer responsible</b> Community Advocate	<b>Author</b> Peter Dow, DDI 941-6728
--	--

The purpose of this report is to have the Board put in place a process to respond if required, to the feedback received from the City Streets and Park and Waterways Units on the Project Proposals submitted by the Board in July.

The **attached** schedule refers.

In accordance with past practice, and in acknowledgement of timing for processing at this time of the year, any issues remaining after consideration of the responses are usually delegated to the Chairman and Deputy Chairman to represent the Board in conveying any concerns to the Unit(s).

### **Staff**

- Recommendations:**
1. That the responses received from the City Streets and Parks and Waterways Units be reviewed by the Board.
  2. That the Chairman and Deputy Chairman be delegated power to act in representing any Board concerns on the responses received.

### **Chairman's**

**Recommendation:** That the above recommendations be adopted.
