Cliff Street - B Walker

Ferrymead Ward

This subdivision creates a new road running at an angle off the end of Cliff Street and continuing up the hill, creating 11 new residential allotments (see attached plan). Mr and Mrs Walker are developing the subdivision and are building their own residence on one of the sections. They have expressed a desire to have the road named in remembrance of their second child and late daughter Emily, who died several years ago aged six months from Sudden Infant Death Syndrome (SIDS). The road will ascend the hill, and the sections will provide views across the estuary to the Kaikouras. Mr and Mrs Walker would like Emily's memory to be part of their subdivision and home, and have therefore proposed the following names for consideration by the Board:

1. Emily View
2. Emily Heights
3. Emily Drive
