

7. KERB AND CHANNEL PRIORITISATION

Officer responsible Community Advocate	Author Gina Clarke, Community Secretary, DDI 941 6615
--	---

The purpose of this report is to enable the Board to:

1. consider the kerb and channel programme for the Hagley and Ferrymead wards for the new years 2 to 5; and
2. request, if considered appropriate, the reprioritisation of projects within this programme.

Under the approved process for kerb and channel prioritisation, the Board can request the reprioritisation of projects within its wards. The kerb and channel programme for the new years 2 – 5 is attached. Ken Stevenson (Asset Management Team Leader) will attend the meeting to assist the Board in assessing the programme.

Staff

Recommendation: That the Board consider priorities for the kerb and channel programme in the Hagley and Ferrymead wards for the new years 2 – 5 and forward any requested changes to the City Streets Unit by 5 December 2003.
