The purpose of this report is to advise the Board of the arrangements for a presentation and update on the activities of the Central City Mayoral Forum to be held in November 2003.

The Central City Mayoral Forum (CCMF) arranged with the six Community Boards in April of this year to present its 2003 CCMF Road Show. This Road Show provided updates on the various projects and activities of the CCMF over the past six months and the opportunity for dialogue.

The outcome from the April Road Show was a consensus from five of the Community Boards for further joint meetings to be held along similar lines on a six-monthly basis, with the proviso that should an issue arise in the interim, the Boards be brought together at that time.

A request was received from the Hagley/Ferrymead Community Board that, given the locale of central city revitalisation and the resultant effects on the Hagley Ward, a separate meeting be arranged with the CCMF, these meetings to also be on a six-monthly basis, or held as appropriate.

To meet the request for combined six-monthly meetings, a Road Show for five of the Community Boards has been arranged for 5 pm on 18 November 2003.
