Officer responsible Environmental Services Manager	Author Bob Pritchard, DDI 3711 644
Corporate Plan Output: Subdivisions	

The purpose of this report is to obtain the approval by the Board of two new Road names. Road and Right of Way name approvals are delegated to Community Boards. It is important that approved names will not duplicate or be similar to existing names. All names submitted have been checked by Council and NZ Post for duplication.

Hayton Road / Wigram Road Sisters of Nazareth

This is a business zone subdivision, creating thirty new allotments to be served by one new cul de sac, and a new road which will run between Hayton and Wigram Roads. The names proposed have historical significance to the Sisters of Nazareth, being names associated with the locations of other centres in England and Australia where the Sisters carry out their work. The names proposed are Ballarat Way for the cul de sac, and Hammersmith Drive for the road linking Hayton and Wigram Roads. A plan of the new business zone subdivision is attached.

Recommendation : That the Board approve the names Hammersmith Drive and Ballarat Way as proposed.

Chairman's

Recommendation: That the Officer's recommendation be adopted.
