

18. NOTICE OF MOTION: ROWLEY AVENUE SCHOOL – APPLICATION FOR FUNDING

To consider the following motion, notice of which has been given by the Chairperson pursuant to Standing Order 2.16:

“That the Board reconsider the application for funding from Rowley Avenue School for wages to employ a person to run a Healthy Breakfast programme and to run the Tuck Shop”.

The reason for requesting that this be reconsidered is that at the previous Board meeting members had not had the opportunity to read the two tabled reports prior to the meeting, and there may not have been clarity on the programme for which the funding was being requested.

Attached are the application from Rowley Avenue School and supporting information from the Principal dated 27 August 2003, and a report from the Community Development Adviser.
