

3. CORRESPONDENCE

3.1 SAND DUNES REPORT

A letter was received from the North New Brighton Residents' Association expressing concern at the integrity of the wave height run-up report undertaken by the City and Regional Council. Concern was also expressed at the state of some sand dunes in the North New Brighton area, which were impinging onto the roadway. The Board **decided**:

1. To receive the letter.
2. That the Residents' Association's concerns be noted and that the letter be referred to the City Council and Regional Council for comment.

3.2 GRANT

A letter was received from Christine Boyd, Ouruhia Residents' Association thanking the Board for its funding for legal bills. The Board **received** the letter.

3.3 HOYTS HERITAGE WEEK (17-23 OCTOBER 1998)

A letter was received from Mr Paul Collins, Co-ordinator of Heritage Week, outlining the programme for the 1998 Heritage Week, and inviting Board participation in organising events for the official programme. The Board **decided** to investigate the adoption of a Heritage Week programme for the future through its Heritage Working Party.

3.4 NEW BRIGHTON PIER - PROPOSED HELICOPTER OPERATION

A letter was received from Mr Robin McCarthy, Aviation Activities Ltd, requesting Board support for the operation of a helicopter from the end of New Brighton Pier. The Board **decided**:

1. To recommend to the Parks and Recreation Committee that the Pier Liaison Team's views be taken into account, and that the helicopter operator be advised that this activity does not fit in with current Pier or residential activities.
2. That the Board does not support the helicopter operation proposal in the Bottle Lake Forest Park Reserve.

3.5 DAYCARE CENTRE - PARKLANDS COMMUNITY

A letter was received from Kieran O'Hagan, Chairman Parklands Christian Activities Trust Project Management Team, requesting Board support for the establishment of a daycare centre in Parklands. The Board **decided** that the Property Manager be requested to make provision for the funding of a creche in Parklands in the 1999/2000 financial year and to identify appropriate sites, and that the Parklands Project Team be asked to report the results back to the Board.

3.6 TRAVIS/WAINONI ROADS RING ROAD LINK

A letter was received from the Secretary of the Bexley Residents' Association requesting confirmation that the land currently designated for Stage II of the Woolston/Burwood Expressway be retained for this purpose. The Board **decided**:

1. That the letter be received and forwarded to the City Services Committee, with the Board's support for a response on the future provision of funding for Stage II of the Woolston/Burwood Expressway.
2. That the Community Manager arrange a meeting with the Chairman of the City Services Committee, the Chairman of the Burwood/Pegasus Community Board, the Bexley Residents' Association and appropriate officers to get an understanding on the issues of concern to the Bexley Residents' Association.

3.7 AVONSIDE DRIVE - ROAD SAFETY

A letter was received from Kathy Reese, President Avon Toy Library, expressing safety concerns on Avonside Drive in light of a serious accident, which recently injured a member of the Toy Library. The Board **decided** that the letter be referred to officers for a report, with a view to a meeting with the Avon Toy Library on receipt of that report.

3.8 BURWOOD PLAYCENTRE

A letter was received from the Secretary of the Burwood Playcentre requesting Board support for the Playcentre to meet the need to have two extra car parks as per its Resource Consent conditions. The Board **decided** that officers be requested to prepare a report investigating a cost sharing scheme for the proposed car parks.
