

5. MADRAS STREET RESIDENTS PARKING AREA

RR 8237

Officer responsible City Streets Manager	Author Peter Atkinson
Corporate Plan Output: On-street Operations Page 9.6.12	

The purpose of this report is to create a resident parking area for the property at 365 Madras Street. This property cannot provide any off street parking because the building on the property occupies the whole of the front portion of the site. In accord with Council policy, a resident parking area is proposed adjacent to the southern boundary of the site.

The proposed resident parking area has the support of the Parking Operations Manager. There are no existing parking restrictions at this location.

Recommendation: That a resident parking area be created on the eastern side of Madras Street commencing at a point 25 metres measured in a northerly direction from a point opposite the northern kerbline of Salisbury Street and extending in a northerly direction for a distance of 6 metres.
