

7. "PATHWAY OF FAME" – VICTORIA STREET

RR 8339

Patricia Thornton, Marketing Manager Christchurch Casino, submitted a proposal from the Christchurch Casino to install a "Pathway of Fame" in front of the glass frontage and exterior walls of the Casino in Victoria Street. The "Pathway of Fame" will comprise a series of slabs of concrete that measure 57cm by 67cm. A brass star with the name of the celebrity or sportsperson, and date, is affixed to the concrete base on each slab. The celebrity's handprints will be at the bottom of the slab. The "Pathway of Fame" will be maintained by the Casino.
