

11. TUAM STREET BUS STOP

RR 8240

The existing bus stop on the southern side of Tuam Street between Antigua Street and Montreal Street has been relocated west of Durham Street. Relocating the bus stop to the new location provides a better spacing between the two adjacent bus stops and improves the catchment area. The bus stop between Antigua Street and Montreal Street will be replaced with a P10 parking restriction.

It was **resolved**:

1. That a bus stop be created on the southern side of Tuam Street commencing at a point 30 metres measured in a westerly direction from a point opposite the western kerbline of Durham Street and extending in an westerly direction for a distance of 15 metres.
2. That a P10 parking restriction be created on the southern side of Tuam Street commencing at a point 69 metres measured in a westerly direction from a point opposite the western kerbline of Durham Street and extending in an westerly direction for a distance of 19 metres.
3. That the existing no stopping P30 and bus stop parking restriction in the above described area be deleted.
