

5. DEPUTATIONS BY APPOINTMENT

(a) MR HARRY WESTRUPP - ARANUI YOUTH ACADEMY

Mr Westrupp, together with other team members, addressed the Committee on the work done by the School's Employment Programme and the Aranui Youth Academy, and explained the aims, benefits and operation of the programme. A video on this was shown to members and it was suggested the Committee undertake a field trip to Aranui High School to view the programme firsthand.

It was noted that the programme receives funding from the Council's Social Cohesion Package approved in the previous financial year.
