

7. EDUCATION REVIEW OFFICE ACCOUNTABILITY REPORTS:

- **TUAM STREET EARLY LEARNING CENTRE**
- **QEII PARK PRE-SCHOOL**

RR 8158

Sally Latham, Community Adviser, reported on the Education Review Office's (ERO) accountability reports on the above childcare centres, as per the performance indicator in the Annual Plan.

Both centres had received excellent reports and it was noted there were no "required actions" in the ERO reports, which is unusual and reflected the high standards achieved by both centres.

The Committee **received** the information and requested a letter of thanks from the Committee be sent to the staff of the two centres.
