

**9. BEALEY/PAPANUI/VICTORIA INTERSECTION –  
RIGHT TURN PHASE AT TRAFFIC SIGNALS**

RR 8193

Information was **received** advising the outcome of the City Services Committee's consideration of a Board request for the inclusion of a right-turn green arrow being installed from Papanui Road into Bealey Avenue.

At its May meeting, the Committee sought a report back from staff within six months on the possible installation of right-turn phase based on an assessment of any accidents occurring at the intersection during the intervening period.
