

## 9. EARLY CHILDHOOD EDUCATION POLICY REVIEW

The Board considered a report seeking comment on the Draft Early Childhood Education Policy Document. Board members Linda Rutland and Liz McRostie had attended a seminar on this policy.

The Board **decided** that a small working party of Linda Rutland and Liz McRostie, who attended the seminar, with the assistance of appropriate staff, provide comments on behalf of the Board to the 7 September 1998 meeting of the Community Services Committee.
