The purpose of this report is to recommend to the Council that the bus stop in Ferry Road be relocated.

The patrons of the bus stop in Ferry Road east of Charlesworth Street are causing damage to the fence of the property outside which the stop is located. After discussions with the adjoining property owner, agreement has been reached to relocate the bus stop west. This will deter patrons from causing damage to the fence and also make the stop more convenient for those bus patrons who live in Charlesworth Street.

- Recommendation:**
1. That the bus stop on the north side of Ferry Road commencing at a point 20 metres from its intersection with Charlesworth Street and extending in an easterly direction for a distance of 17 metres be revoked.
  2. That a bus stop be installed on the north side of Ferry Road commencing at a point 5 metres from its intersection with Charlesworth Street and extending in an easterly direction for a distance of 17 metres.
