

12. FUNDING REQUEST FROM HEATHCOTE VALLEY COMMUNITY LIBRARY

The Board considered a letter from the Heathcote Valley Community Library Inc seeking funding of \$25,000 from the Council. This letter had been referred to the Board by the Senior Facilities Adviser who was seeking some guidance on the need for support for this library. Comments by the Libraries Manager were also considered by the Board.

The Board **decided** that it could support an application to the Funding Committee from the Heathcote Valley Community Library provided that this was for a specific project.
