

**19. OURUHIA RESIDENTS' ASSOCIATION – RADIO TOWER**

Mrs Tammy Wells made a deputation to the Board and requested that the Board make a financial contribution to the cost of the mediation process when the Residents' Association and Radio Network meet to negotiate a decision on the radio tower in the Ouruhia area.

The Board **resolved** to make a grant of \$1,000 from its 1998/99 Discretionary Funds to the Ouruhia Residents' Association towards its mediation expenses.

(Mr Dodge recorded his vote against the above resolution.)
