

13. PARENTING WITH CONFIDENCE SEMINAR

A request was received seeking funding for a further seminar to be held in May 1999.

The Board had allocated \$2000 of its 1997/98 fund for an extremely successful seminar that was held in November 1997.

Belinda Stackhouse and Patricia Grant were present at the meeting to outline the previous seminar and to answer questions from members.

The Board **resolved**

1. To allocate \$1,000 from its 1998/99 Discretionary Funds and that it consider, at a later date, underwriting a further \$1000 if Parenting with Confidence is unable to raise sufficient sponsorship.
2. To request that staff consider establishing a follow up programme for attendees of the courses.
- 3 (a) That staff be requested to further investigate suitable venues to hold the next seminar in the Spreydon area and to
(b) Assist Parenting with Confidence in identifying other sources of funding.
