

**24. SUPPLEMENTARY REPORT
CENTRAL CITY ELECTRIC SHUTTLE**

RR 8880

A report was submitted recommending changes to four shuttle stops and the intersection of Moorhouse Avenue/Manchester Street to accommodate the shuttle route adopted by the Council on 23 September. The Chairman outlined the reasons why the matter was not on the agenda and why it could not wait for the next meeting of the Committee.

It was **resolved** that the report be received and considered at the 25 November 1998 meeting.
