

**35. AVICE HILL ART AND CRAFT CENTRE  
–‘HAVE A GO’ AT SCULPTURE EVENT**

RR 8795

With the holding of a city wide multi-cultural event planned for the latter part of 1999, it was proposed that the Board supported local cultural festival be placed on hold and that the funding set aside for this be reallocated to a ‘have a go’ sculpture day to be held at the Avice Hill Art and Craft Centre on Sunday 14 February 1999.

The Board **resolved** as follows:

1. That the revised programme be approved and the funding of \$6,500 for the cultural festival be reallocated to the “Have A Go” At Sculpture Event at the Avice Hill Art and Craft Centre.
2. That a report on the sculpture event be made to the Board in March at which time the return to a locally provided cultural festival be further considered.
