

**17. CREYKE ROAD/ILAM ROAD/MAIDSTONE ROAD INTERSECTION  
PROPOSED TRAFFIC SIGNALS**

RR 8680

As with Clause 16 above, the Board had been invited to respond on the proposed installation of traffic signals at this intersection.

Similarly, the Board **decided** to support the proposed signals including a provision for cyclists and pedestrians but has asked that other design elements to provide benefits for all road users such as slip lanes and right turn green arrows also be investigated by the City Services Committee.
