

30. GLANDOVEY ROAD–PROPOSED LANDSCAPING

RR 8787

Arising from recent consultation with local residents, the Area Engineer sought permission to proceed with the Glandovey Road (Idris to Strowan) landscaping project as funded by the Board this financial year.

An accompanying plan detailed the areas involved.

The Board **resolved** that the planting as shown on the plan, be installed in the autumn of 1999.
