RR 8792

<b>Officer responsible</b> City Streets Manager	<b>Author</b> Brian Boddy, Area Engineer
Corporate Plan Output: On-street Parking Management	

The purpose of this report is to request that the Council consider the installation of a P60 parking restriction outside Nos 27 to 31 Papanui Road as shown on the following plan.

Requests have been received from the three local shopkeepers affected to install a P60 parking area outside their business premises. The Parking Unit and the Rastrick Residents Association were approached about the proposal. Both support the proposed parking restriction.

In acknowledgment of this response, a P60 parking restriction can therefore be installed.

**Recommendation:** That the parking of vehicles be restricted to a maximum period of sixty minutes on the west side of Papanui Road commencing at a point 6.5 metres south of the western boundary of No.27 and extending in a northerly direction for a distance of 14.5 metres.
