

### 37. PROPOSED ROAD NAMES

RR 8799

The names 'Chesterfield Mews' and 'Avon Gate' were **approved** as two new road names for a subdivision off Karnak Crescent in Avonhead.

Mention was also made about the possibility of introducing street names that had a linkage to the Council's Sister Cities. Staff undertook to convey this idea to the appropriate officer.

**Note:** Val Carter declared interest and withdrew from the meeting during consideration of this item.
