

**33. SIR WILLIAM PICKERING DRIVE
–PROPOSED PARKING RESTRICTION**

RR 8793

The Board was requested to consider the installation of a ‘No Stopping’ restriction on both sides of the road outside the P.A.L. School at 11 Sir William Pickering Drive. Such a restriction would allow for the two way flow of vehicles while cars were queued at the entrance of the school’s carpark during pickup and drop-off times.

In response to the request, the Board **resolved** that the stopping of vehicles be prohibited (at any time) on both sides of Sir William Pickering Drive commencing at the northern boundary of No.11 and extending in a southerly direction for a distance of one hundred and twenty-two metres.
