

38. BEVERLEY PARK HERITAGE ROSE GARDEN

The Board considered a request from the Englefield Residents' Association (formerly the Gilby Neighbourhood Group) seeking funding to have a promotional brochure printed for plant sponsorship for the proposed heritage rose gardens for Beverley Park as part of the historic precinct and heritage walk project for the year 2000.

The estimated cost of producing 1,000 brochures was \$800.

The Board **resolved** to make a grant of \$800 to the Englefield Residents' Association to enable it to produce a promotional brochure seeking plant sponsorship for the proposed heritage rose gardens from the Board's 1998/99 Discretionary Funds.
