

25. LINWOOD RESOURCE CENTRE REPORT

The Board considered a report from Eleanor Bodger of the Linwood Resource Centre outlining the activities and concerns of the Resource Centre. The report surveyed a number of areas including the Youth Festival for which planning was being undertaken.

The Board **decided**:

1. To receive the information.
2. To present a special Youth Award Certificate of Recognition to each of the young people who worked for the Youth Festival.

The Board envisaged that these would be personal certificates which could be included in the CV of each of the young people concerned in organising this festival.

The Board also considered its representation in the process of seeking community views and appointed Liz McRostie and Aaron O'Brien to take part in this community consultation process.

The Board thanked Eleanor Bodger for preparing this report and for presenting it in person to the Board meeting.
