The purpose of this report is to start the legal procedures necessary to stop a portion of legal road.

The owners at No 77 Port Hills Road have approached the Council and asked if they can purchase the redundant road widening adjoining the frontage of their property.

Approval in principle was given by the Council at its June 1998 meeting to dispose of the unformed portion of Port Hills Road as the land is not required for road purposes.

Negotiations between Council officers and the adjoining land owners have been satisfactorily concluded subject to a successful road stopping procedure.

City Streets agrees with this proposal.

The land is not formed as road but occupied by the adjoining owners.

The proposed road stopping is not shown in the Notified City Plan.

The plan is attached.

Prior to sale the following resolution is necessary to initiate the stopping action:

RESOLUTION

Pursuant to the provisions of Sections 319(h) and 342 of the Local Government Act 1974, the Christchurch City Council hereby resolves to stop that portion of road as shown on the plan and described in the Schedule hereto.

REASON FOR THE ROAD STOPPING

The Council has received a request from the adjoining owners for the purchase of the land which is no longer required by Council for road purposes.

PURPOSE TO WHICH THE STOPPED ROAD WILL BE PUT

The land is situated alongside and occupied by No 77 Port Hills Road and is 5.0 m in width.
