

**19. WATERWAYS, WETLANDS AND DRAINAGE UTILITIES
ASSET MANAGEMENT PLAN**

RR 8829

In view of the importance of this issue and the need for members to be fully briefed on the financial and other implications of the plan prior to the 1999/2000 budget round, it was **resolved** that a special meeting of the Committee be held on 8 December 1998 to consider the above asset management plan.
