

**12. CREYKE ROAD/ILAM ROAD/MAIDSTONE ROAD AND  
CLYDE ROAD/CREYKE ROAD/KOTARE STREET INTERSECTIONS –  
PROPOSED TRAFFIC SIGNALS**

The Board was in receipt of a report from the City Streets Unit, advising of the proposal to install traffic signals at these intersections.

The installation of traffic signals will reduce the high delays and long queues presently occurring there during morning and afternoon peak periods.

The signals will decrease the number of cycle crashes as well as making it safer for pedestrians.

Construction is scheduled to start in January 1999.

The Board **received** the information and supported the proposal (this was also being considered by the Fendalton/Waimairi Community Board) and noted that this would be received by the City Services Committee, also, at its 24 November meeting.
