

**9. ELECTION RECESS PROCESS
DELEGATION FOR COMMUNITY BOARD ISSUES**

With the recent elections there had been a “pause” in the Community Board being able to make decisions.

The Board, at its 2 September meeting, had resolved to grant power to act to the (then) Chairperson and Deputy Chairperson to deal with routine matters, and that any decision(s) be advised to the incoming Board.

It was reported that no decisions were sought/required to be made during the recess period.

The Board **received** the information.
