

**19. COMMUNITY NEEDS RESEARCH
CASEBROOK/REDWOOD/NORTHCOTE/STYX MILL**

Further to the September meeting when the key findings of the draft community needs research were outlined by the researchers, a committee of the new Board was to be appointed to further the recommendations of the researchers. The Board **resolved** that the Papanui members (Myra Barry, Dennis Hills and Yvonne Palmer) comprise the committee to work with the Community Development Adviser to identify and prioritise responses to the recommendations.
