

**25. ANNUAL REVIEW OF MANAGEMENT AND FINANCIAL OPERATIONS OF COMMUNITY CENTRES**

A report on the management and financial operations of the six Council-owned Community Centres in the Spreydon-Heathcote area was considered by the Board.

It was suggested that consideration should be given to Board members liaising with Community Centres, and Residents' Associations. This matter will be referred to the Community Affairs Committee.

The Board resolved to continue to support the Management Committees of Council-owned Community Centres in Spreydon/Heathcote and commend them on behalf of the community for the exemplary level of voluntary dedication given.
