

7. TRIENNIAL ELECTIONS - 10 OCTOBER 1998

It was **decided** that the information be received and noted.

Mrs Anderton noted her concern regarding the number of informal votes, and moved that a request be made of the Returning Officer to ascertain whether the voting papers could be modified in such a way as to make it easier to complete. It was suggested that the format and colour of the voting papers could be modified.

The Board **decided** to make enquiries of the Returning Officer regarding the possible modification of the voting papers.
