Councillor O'Rourke moved "*That the draft submissions be adopted by the Council*".
The motion was seconded by Councillor Close.

Councillor Harrow moved by way of amendment *“That the Christchurch City Council make a submission to the Roading Advisory Group seeking the formation of a LATE within the present City Council boundaries, to include a transfer of assets”*. The amendment was seconded by Councillor Berry and when put to the meeting was declared **lost**.

Councillor Evans moved by way of further amendment *“That the Council request the Government to cease diverting revenue to the consolidated fund from user charges, petrol levies and car registration, on the grounds that it is fiscally irresponsible to use such funds for non-roading purposes which should be funded from general taxation”*. The amendment was seconded by Councillor Berry and when put to the meeting was declared **lost**.

The motion moved by Councillor O’Rourke and seconded by Councillor Close providing for the adoption of the draft submission was then put to the meeting and declared **carried** on division no 1 by 22 votes to 2, the voting being as follows:

For (22): Councillors Alpers, Anderton, Buist, Close, Condon, Cox, Crighton, Dodge, Evans, Fahey, Ganda, Howell, James, Keast, Manning, Moore, Murray, O’Rourke, Sheriff, Stewart, Wright and the Mayor.

The previous amendment moved by Councillor Evans and seconded by Councillor Berry was then recommitted, and on being put to the meeting was declared **carried** on division no 2 by 12 votes to 9, the voting being as follows:

For (12): Councillors Alpers, Anderton, Berry, Buist, Cox, Dodge, Evans, Harrow, Murray, Sheriff, Stewart and the Mayor.

- “1. That the Council agree to purchase the Coachman Inn, and, in the absence of agreement on price between the parties, use price-fixing procedures emulating the Public Works Act 1981.*
- 2. That the Council either:*
 - (i) On-sell the building with an appropriate conservation or heritage covenant; or*
 - (ii) Lease the building to an appropriate tenant.*
- 3. That the difference between the purchase and sale cost in the event of Option 2(i), or the difference between the economic rental and the achievable rental in the case of Option 2(ii) be met from the Council’s heritage fund.*
- 4. That the date of settlement be 1 July 1998.*
- 5. That provision be made in the 1998 Plan for the purchase of the building, the provision to be uplifted only if the building cannot be sold before 31 May 1999.*
- 6. That this resolution is not to be taken as a precedent for the future and the Council is making the purchase for other reasons.”*

The motion was seconded by Councillor O’Rourke.

(4.00 pm Councillors Dodge and Moore retired)

Councillor Alpers moved by way of amendment *“That the Council advise the Commissioner that it is not prepared to enter into a section 17 type agreement if he recommends in favour of the requirement for the Coachman”*. The amendment was seconded by Councillor Murray.

The motion was seconded by Councillor Evans and when put to the meeting was declared **carried**.

(Members of the public were then temporarily excluded from the meeting between 4.55 pm and 5.30 pm. Following the readmittance of the public at 5.30 pm the remaining items of business which follow were dealt with in open meeting.)

COACHMAN INN (Cont'd)

The Mayor ruled that the amendment previously moved by Councillor Alpers and seconded by Councillor Murray amounted to a direct negative, and was thus not allowed under Standing Order 2.18.12.
