1. PRIORITISATION OF CAPITAL WORKS SUBMISSIONS

After some discussion the Board decided that it was appropriate to only prioritise the works in order of (1) Urgent priority (year 1), (2) High priority (year 2, 3) and (3) Important priority (year 4, 5 and beyond).

It was **decided** that the ranking of priorities was a confusing and time consuming task and that projects would only be prioritised.

The Board then proceeded through the submissions as listed in the Agenda and prioritised them, a copy of which has been sent to the Units responsible to consider for inclusion into the Draft Christchurch City Council Plan: 1999.

The meeting closed at 6.00 pm

Signed by the Chairperson and Principal Administrative Officer pursuant to Standing Order 2.12.2
