That pursuant to section 114S of the Local Government Act the Summit Road Protection Authority be established as a joint Standing Committee of the Christchurch City Council, the Banks Peninsula District Council and the Selwyn District Council to administer the provisions of the Summit Road Act 1963.
 2. That a Councillor (to be nominated at the meeting) be appointed to the Authority.
 3. That the Parks Manager, or his nominee, be appointed to the Summit Road Protection Authority Advisory Subcommittee.
