

5. HORSESHOE LAKE ROAD - NO STOPPING LINES

The Area Engineer reported on the outcome of investigations into a petition presented by the Lakewood Court Retirement Home in Horseshoe Lake Road for the installation of no stopping lines outside its entranceway. The Board **decided:**

1. Not to install broken yellow lines outside the Lakewood Court Retirement Home.
2. That Mrs Helen Franks be informed of the outcome, and advised that officers have been requested to investigate traffic issues in Horseshoe Lake Road as a priority in the East Shirley LATMS when it is completed.
