

4. DEPUTATIONS BY APPOINTMENT

FOOD STALLS CITY MALL AND OXFORD TERRACE

Ms Vicki Hanrahan and Mr Garry Pierce of Italia Café addressed the Committee in respect of barbecue-type food stalls being operated in the evenings near their café business.

Ms Hanrahan advised that the barbecue operations were leading to complaints from the café's customers, and she considered it unfair on her business, given the high rentals paid and the need to sustain business through the winter months.

As a compromise, Ms Hanrahan suggested that she would like to see the number of street stalls in the City Mall reduced from four to two, or perhaps located further away from other permanent café bar/restaurant operators.
