

**6. GARDEN CITY FESTIVAL OF FLOWERS -
AWARD TO PARKS UNIT**

RR 9660

Warwick Scadden reported in his capacity as Chairman of the Christchurch Garden City Trust, advising that the Parks Unit had been awarded the Odering Cup for its contribution to the 1999 Garden City Festival of Flowers. The Parks Unit organised the "Big Day Out" event in the Botanic Gardens.

The cup is awarded annually to the organisation which makes the greatest contribution to the success of the festival.

The Committee, in receiving this information, **decided** to forward a congratulatory letter to the Parks Unit and a letter of appreciation to Oderings Nurseries, the donors of the trophy.

The trophy will be on display at the Council meeting.
