

7. **THE GREAT BRITTAN BOAT RACE**

RR 9608

The Leisure Manager reported on the above proposal which was presented to the March meeting of the Committee meeting by Mr Blair Anderson. Mr Anderson sought Council endorsement of the event.

Unfortunately, because of the lack of specific detail provided by the promoter of the event, Leisure Unit staff were unable to assess its feasibility beyond drawing the Committee's attention to the ecological and event management issues which will need to be considered before any endorsement could be given by the Council.

The Committee **decided** that Mr Anderson be advised that the Parks and Recreation Committee is unable to endorse the proposal at the present time owing to lack of detail.
