

**3. REPORT FROM THE CHIEF EXECUTIVE OFFICER,
RECOVERED MATERIALS FOUNDATION**

The Committee considered a report from the CEO of the Recovered Materials Foundation, submitted to the RMF Board meeting on 21 April 1999, which covered:

- RMF Administration
- RMF Consolidation
- GPS and Site Consolidation
- RMF Core Function
- Tonnage Figures for March

It was proposed that investigations be made into incorporating new products made from recycled materials into the major projects being undertaken throughout the city. The information was **received**.
