

16. PROPOSED RIGHT OF WAY NAMES

In October 1997 the Board approved the name Lowestaff Place for a new cul de sac off Rushmore Drive and Darroch Street in Belfast. The Subdivisions Officer reported advising that the developer now wished to change the name. It was noted that as the name Lowestaff had not yet been shown on a Land Transfer Plan, Special Order Procedures would not be necessary.

The Board **resolved** to approve the change of name from Lowestaff Place to Greenmeadow Gardens.
