

## **18. NEW BRIGHTON LIBRARY**

The Property Projects Officer requested the Board's view on the future use of the former New Brighton Library building in Shaw Avenue. The Board **decided** to recommend to the Project and Properties Committee that it establish a Working Party, consisting of the Chairperson, Caroline Kellaway, Andy Lea and David Dobbie, to meet with appropriate New Brighton community groups to report to the Board on the needs and feasibility of using the former New Brighton Library building as a community centre.
